Rare full loose-leaf tea

We have selected the finest loose-leaf teas from the provinces of Lào Cai, Hà Giang and Lai Châu, mountainous regions in the Northwest of VietNam. The family-owned tea plantations are protected and harvested by ethnic minorities and tea artisans carefully select, pick and roll the most tender buds and leaves by hand.

We are committed to sustainability and offer a range of organic and fair-trade certified teas from Vietnam.

Fair trade means fair terms of trade for worker and a better price for the tea farmers.

Organic tea means the tea is grown by ecologically sound methods and has been produced without the use of synthetic fertilizers, pesticides or other chemicals.
